Draw Procedure

For the purpose of the Preliminary Round draw, teams are allocated in ascending order from group A to group H.

Hosts

Pot 1: 8 hosts (8 balls)

Pot 2: Group A to H (8 balls)

Step 1: We first draw the hosts, allocating them according to their coefficient ranking. Then we will draw which are the 3 groups composed of three teams.

Specific procedure

As we have three hosts allocated in position 4, we will proceed as follows: once the 3 groups of three teams are determined, we will be in a position to know how many clubs may be allocated to position 4 (min. 2 if none of the 3-team group are hosted by a team in position 4, and max. 5 if all

the 3-team groups are hosted by a team in position 4). We will therefore “create” a pot with the bottom-ranked teams according to the number needed in both position 4 and also in position 3.

Position 4 (less hosts, 2, 3, 4 or 5 balls)

Pot 3: Teams to be allocated to position 4

Step 2: We then draw the teams into position 4, from group A to H, missing out the groups which already have hosts assigned to that position and the group of three teams, if any.

Position 3 (less hosts, 3, 4, 5 or 6 balls)

Pot 4: Teams to be allocated to position 3

Step 3: We then draw the teams into position 3, from group A to H, missing out the groups which already have a host assigned to that position, and the possible positions 3 which has been blocked in the above-mentioned specific procedure.

Position 2 (less host, 7 balls)

Pot 5: Teams ranked 29 to 36

Step 4: We then draw the 8 teams into position 2, from group A to H, missing out the group which already have a host assigned to that position.

Position 1 (less hosts, 5 balls)

Pot 6: Teams ranked 21 to 28

Step 5: We finally draw the remaining teams into position 1, from group A to H, missing out the groups which already have a host assigned to that position

All matches must be completed by 1 September 2013 at the latest.

Main Round

The Main Round consists of 16 clubs, plus the 8 Preliminary Round group winners, i.e. 24 clubs. The clubs enter the competition according to their coefficient ranking and therefore, the clubs ranked 5 to 20 enter the competition directly into this round. The Main Round is composed of 6 groups of 4 teams. Teams are allocated into Group 1 to 6 and their position in the group is determined by their coefficient ranking, as shown below:

-  Position 1: teams ranked 5 to 10
-  Position 2: teams ranked 11 to 16
-  Position 3: teams ranked 17 to 20 and two Preliminary Round group winners
-  Position 4: 6 teams out of 8 Preliminary group winners*

*Note: As there are eight Preliminary Round winners to be allocated into 6 groups, the seventh and eighth group winner will be allocated into the first available position 3. Depending on the position of the two hosts in position 3, two groups will contain two Preliminary Round group winners.

The winner and runner-up of each group in the Main Round qualify for the Elite Round (19-24 November 2013), together with the top 4 clubs in Europe, i.e. title-holder Kairat Almaty (Kazakhstan), MFK Dynamo Moscow (Russia), FC Barcelona (Spain), and Sporting Clube de Portugal (Portugal).
